*Bangalore, India is a city of contrasts.*

*It is known as the "Flower City," yet it is filled with slums.*

*It is called the "Silicon Valley of India" yet most of its people languish in poverty.*

*It is a deeply religious city, yet less than 5% of its inhabitants follow Christ.*

*Home to over 6 million inhabitants, Bangalore is now the third most populated city in India. While it is quickly becoming a city filled with economic opportunity, the greatest need is spiritual: to share the Good News of Jesus Christ with the millions of inhabitants who have not experienced the gift of eternal life.*

*The Lord has once again opened doors for me to travel to Bangalore, India from May 19 until June 2, 2011. This year, I will be traveling with Pastor Alan Morris (who has spoken at Bridgeway a few times) and his wife Becky, and Pastor Don McLaughlin and his wife Kokie, of Pensacola, Florida.*

*While there, our team will be training pastors, ministering to women, working with children in the slums, and sharing the Gospel.*

*Would you please consider praying for our trip, and if possible, making a donation to help with our expenses. **The total need for this trip is \$4,000.** Your gift may be tax deductible. If you are willing and able, please send your gifts to:*

*Bridgeway Church (Memo: India Trip)*

*4755 Kimball Bridge Rd.*

*Alpharetta, GA 30005.*

*Thank you for your support. We are looking forward to seeing all that God will do through us as we partner with Him in His mission of bringing the transforming power of the Gospel to the nations.*
